Reviewer Attachments - Microsoft Internet Explorer
"CEN test manuscript 01"

WARNING: Attachments may contain information revealing the originator's identity, including information that appears in a file's 'Properties' (on Windows) and 'Get Info' (on Macintosh).

Any attachments submitted by Reviewers relating to this manuscript are shown below. Click Download to download the files to your computer. To upload a revised version of the file, download the file first, edit it and then click [Upload Revised file](#).

Reviewers always have access to attachments which they have uploaded. The Reviewer does not automatically have access to an attachment revised by an Editor. To make any attachment visible to all Reviewers check the box 'Allow Reviewer Access'. Reviewers must also have the RoleManager permission 'View Other Reviewer's Comments to Author' or 'View Other Reviewer's Comments to Editor' in order to see another Reviewer's attachment, or the edited version of their own attachment.

To make the file visible to the Author when the Author revises the submission or views the Editor decision, check the box 'Allow Author Access'. The links 'Check All' and 'Clear All' may be used.
