# APCN / ANZSN ASM <sup>17-21 Sept.</sup> 2016

15th Asian Pacific Congress of  
Nephrology & 52nd Australian  
and New Zealand Society  
of Nephrology ASM

**Perth Convention  
and Exhibition Centre  
Western Australia**

**The APCN/ANZSN 2016 Scientific Meeting will provide a world-class scientific program and it will also reflect APSN and ANZSN's efforts to advance renal care in both the developed and the developing Asian-Pacific countries.**

The program promises to be exciting and of unparalleled quality, with a State-of-the-Art lecture given by Nobel Laureate Peter Doherty, five plenary lectures by Melissa Little (Australia), Takashi Kadowaki (Japan), Ravi Thadhani (USA), Vivekanand Jha (India), Katherine Bristowe (UK) and 48 high-quality seminars in the areas of Aetiology & Pathogenesis, AKI/CKD, Dialysis and Transplantation, given by a mix of distinguished speakers from Australia and New Zealand and from the Asia-Pacific region, making this a truly international event.

We look forward to welcoming your participation in what we believe will be a truly memorable conference.

## About Perth

Basking in the warmth of a Mediterranean climate Perth is a city buzzing with a new energy reinvigorating visitors with its sophisticated style, cleanliness, clear blue skies and pristine coastline, yet the relaxed lifestyle and friendly vibe remain. It is internationally renowned as one of the world's friendliest cities and was ranked as one of the world's most liveable cities, according to the 2009 Worldwide Quality of Living Survey.

## Getting to Perth

No matter where you are in the world, Perth and Western Australia are closer than you think. Sixteen international airlines operate scheduled services to and from Perth, bringing the world to Western Australia. Accessibility, especially to our near-neighbours in South East Asia, has been accentuated by new and more frequent air services linking the city to national and international destinations.
